## A bit about us

Total Media is an independent media planning & buying agency which was founded by Mike Sell in April 1982 with a mission to shake up a network dominated industry. 40 years on and we are still proudly independent and Mike is still our Chairman, however we have grown in size with over 130 employees across 3 UK offices in London, Manchester and Solihull, as well as having our own research consultancy, Behave, and being part of the largest independent media network, Mediaplus.

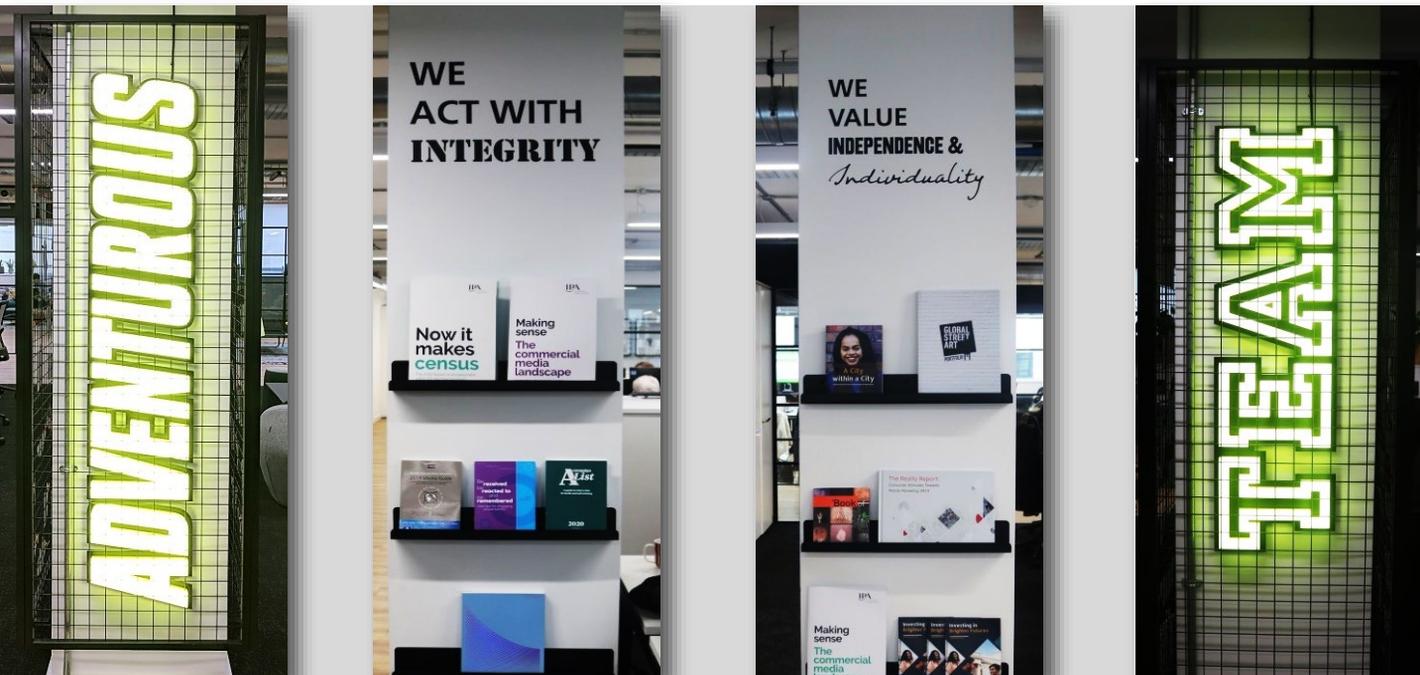

We are the only media agency built on the principles of behavioural science. We combine best in class media, data & research to deliver authentic, creative and effective media solutions that address real influences of people's behaviour.

We work across the full spectrum of media planning and buying, with fantastic teams dedicated to client servicing, broadcast, digital, data, research and content production.

And not forgetting our various teams (D&I, Fun Factory, Green, Outreach, Wellbeing) across the agency who work to promote a happy, healthy and inclusive culture.

Last, but certainly not least, we are hugely proud to be the first UK independent media agency to achieve B Corp UK status, joining a wide range of industries who are dedicated to building a more sustainable economy.

Our company values, which quite literally hold our ceiling up!
